USA Gymnastics University will develop CPE certificates to be issued at the conclusion of an (clinically) approved session by the Clinician or organizational personnel.

F. Clinical Activities will be designated as "Approved for CPE" by the following:

- Regional- USA Gymnastics Regional Technical Committee Chairman (or designee)
- State- USA Gymnastics Regional Technical Committee Chairman (or designee)

- Those wishing to have a clinic approved for CPE simply need to e-mail their respective Regional Technical Chairman with the date and topic(s) of the clinic(s), anticipated attendance, and name(s) of the clinician(s). The Regional Technical Chairman or their designee will send or bring the appropriate number of CPE certificates to the event.

- Video or live practice judging at a level equal to or higher than your current rating (3 hours); to be signed by the supervising judge. Practice judging will require pre-approval you're your USA Gymnastics State Chairman or NAWGJ State Judging Director. For pre-approval, simply send an e-mail to the appropriate officer requesting permission. Please note that live Practice Judging will also require pre-approval from the Meet Director. This is done by contacting the Meet Referee for the event and not by contacting the Meet Director directly. The practice judge should come prepared with all judging materials and wear the appropriate judging uniform. Video Practice Judging will be recorded in hours and requires written verification from the supervising judge.

H. Miscellaneous CPE activities are to be recorded on the Miscellaneous CPE Form, which can be found on-line at <http://www.usa-gymnastics.org/women/judging>.

H. Continuing Professional Education Tracking

A. Each judge is responsible to keep accurate records of their CPE, including documentation of attendance at approved CPE experiences. Documentation should correspond to the hours submitted on the Annual CPE Record Form.

Marian Dykes is our CPE Coordinator and maintains a list of all the judges in Georgia, the number of CPE hours they complete each year, and the number of clinical hours they will carry forward to the next year.

C. Each judge is responsible for recording a summary of their total annual CPE hours by category, recorded on the Annual CPE Record Form, and submitting their form to Marian Dykes by June 30 of each year. The Annual CPE Record Form is available on-line at <http://www.usa->

gymnastics.org/women/judging, or may be obtained from the State Judging Director and/or CPE Coordinator.

D. The CPE Coordinator is responsible to send a master list of all judges who have successfully completed their annual CPE requirements to the USA Gymnastics National Office, the respective SJD, RJD, and the respective USA Gymnastics State and Regional Chairman by July 31st.

E. If a judge does not complete all of their required CPE hours within a given year, they may apply CPE hours from the successive year to make up for the hours they were lacking. When completed, they must still send the proper documentation to their CPE Coordinator. Note that CPE hours cannot be used twice, meaning, if hours are being used to make up from a previous year, those same hours could not be applied to the current year as well.

F. The National Office will conduct audits each year that will require randomly selected judges to provide actual documentation of the CPE, as reported on the Annual CPE Record Form to their CPE Coordinators.
